

Illinois Small Business Owners Get Tax Break for Hiring

If you're a small business and thinking of hiring workers, the job creation tax credit applies to you! The tax credit gives small business owners an extra boost to grow their business over the next year. After creating one or more new, full-time positions that meet the eligibility requirements, small businesses can register here to receive a \$2,500 per job tax credit.

Go to the [Develop Page](#) to learn more about getting paid to grow your business. Illinois workNet makes it easy.
