Free tools and assessments for Illinois workNet® partners. Use Illinois workNet Customer Groups to:

- View your customer assessment results.
- View your customer activity responses.
- Send messages to your customers.

Get started. Become a partner and receive your workforce partner account. (There is no cost to be a partner or have an account.)

- Go to www.illinoisworknet.com and click on Workforce & Education Partners Enter Here.
- Check to see if your organization is already a partner. If so, set up your partner account. If not, submit your partnership request online.
- We will review and approve your account request so that you can get started.

Already have an Illinois workNet partner account?
Great!

- Log into your account.
- Click on **Tutorials** for instructional playlists.
- Click on Customer Groups to get started adding customers to your group.
- Click **My Tools** to get started using the post-assessments.
