I or my spouse is in the U.S. Military and do not live in our house right now. Can we still apply?

Yes. All Borrowers, with the exception of Active Military Personnel, must live in the property for which assistance is being requested. [\[Back to Top\]](#)

What is the difference between the Pre-Hardship and the Hardship Event Income?

To be eligible for the Hardest Hit Fund, applicants must demonstrate a 25% reduction in income from Pre-Hardship to Hardship. Pre-Hardship income is the income earned prior to the unemployment or under-employment event. Unemployment and under-employment are “Hardship” that caused a reduction in the Borrower / Co-Borrower’s income resulting in an inability to pay the monthly mortgage. Submit enough income documentation to support both Pre-Hardship and Hardship event income. [\[Back to Top\]](#)

Do I have to be currently unemployed to qualify?

No. If you were unemployed but have regained employment, you may still qualify for the Illinois

Hardest Hit Program if you can document the required 25% reduction in income and meet all other eligibility requirements. [\[Back to Top\]](#)

Why does my lender have to agree to participate in the program?

Your mortgage lender must agree to accept payments from the Illinois Housing Development Authority (IHDA) on your behalf. You can still apply to the Illinois Hardest Hit program while we work to establish a formal partnership agreement with your lender. IHDA will notify you if your lender is unwilling to participate or objects to our request to assist you after you have been approved for HHF assistance. [\[Back to Top\]](#)

What types of assistance can I receive?

The Illinois Hardest Hit Program offers two types of assistance:

- 1. Reinstatement Assistance (RA)** is a one-time payment of all mortgage arrearage, fees, and penalties.
- 2. Monthly Mortgage Payment Assistance (MPA)** pays 100% of monthly mortgage payments for up to 18 months while the household makes a 31% monthly contribution payment to IHDA during their enrollment in the program. [\[Back to Top\]](#)

How do I know which type of assistance I qualify for?

The actual type of assistance that you receive is determined by the ratio of your income to your housing payment. Available HHF assistance must be sufficient to cure the delinquency (amount that you are behind) and make forward payments in accordance with program guidelines. [\[Back to Top\]](#)

What is the total dollar amount of assistance I can expect to receive?

The total amount of assistance that is available to eligible households is based on the Illinois county in which you currently reside. Households in counties with levels of unemployment home price decline, or loan delinquency higher than the state average can receive up to \$25,000. Households in all other counties can receive up to \$20,000. For a map of Illinois counties and their maximum assistance amount, please see the "About the Program" section of the HHF website. [\[Back to Top\]](#)

Is the assistance provided by the Illinois Hardest Hit Program a loan?

Yes. Hardest Hit assistance is provided as a 10 year forgivable loan. A lien will be filed against the property. This assistance is forgiven over the last five years of the 10 year loan term. All borrowers approved for the program will complete a full set of loan documents. Funds may have to be repaid to IHDA if you sell your home at a profit or refinance during the 10 year loan term. [\[Back to Top\]](#)

Can I still apply if I am in a Home Affordable Modification Program (HAMP) Trial Period?

No. Borrowers in a Home Affordable Modification Program (HAMP) trial period may not use funds from a Hardest Hit Fund program to make HAMP trial period payments. The Illinois Housing Development Authority (IHDA) administers the Hardest Hit Fund (HHF) program. This means homeowners cannot receive HHF Mortgage Payment Assistance (MPA) Program benefits while in a HAMP trial period. Homeowners will need to choose between accepting the HAMP trial period program or the HHF mortgage payment assistance.

NOTE: If you are currently in a HAMP trial period and accept HHF-MPA benefits by signing IHDA loan documents, you will be TERMINATED from your HAMP trial period.

NOTE: If you have applied for HAMP or are currently being evaluated for HAMP and accept HHF-MPA benefits by signing IHDA loan documents, you will NOT be offered a HAMP trial period plan.

If you accept Mortgage Assistance Payment (MPA) benefits through HHF and are terminated from a HAMP trial period or not offered a HAMP trial period plan, you may reapply for HAMP (pending program availability) after your HHF-MPA benefits end.

If you have successfully completed **more than half** of your HAMP trial period plan, you may request to delay acceptance of HHF benefits until either a permanent HAMP modification agreement is executed or your HAMP trial period plan is otherwise terminated. Contact your mortgage lender and your HHF Review Agency regarding all HAMP trial period applications. [\[Back to Top\]](#)

What information is needed for the application?

The application for the Illinois Hardest Hit Program is available at www.illinoishardesthit.org and this website offers step by step instructions on how to apply. Borrowers and co-borrowers will need to provide information about pre-hardship and hardship income, liquid assets, their property, and their mortgage(s) in order to determine program eligibility. Additional documents may be requested by your HHF Review Agency or IHDA during the application review process. [\[Back to Top\]](#)

How is my application processed?

The process shown below is designed to review applications for assistance as quickly as possible. Mortgage lenders must agree to accept payments from IHDA on behalf of each approved applicant in the Hardest Hit Program.

[\[Back to Top\]](#)

How long will it take to process my application?

The length of time it takes for a homeowner to get Illinois Hardest Hit Program assistance depends on several factors:

1. the length of time it takes the homeowner to complete the application and provide all supporting documents;
2. the availability of an HHF Review Agency to meet with homeowners;
3. the homeowner’s lender and that lender’s processes for approving applications; and
4. the overall volume of applications being processed by your HHF Review Agency and IHDA.

If the homeowner’s financial situation changes during the application process, it may also take longer to provide assistance for that homeowner. While IHDA and your HHF Review Agency will work as quickly as possible, it may take 90 days or more to provide assistance. You should continue to pay your mortgage while your application is being processed. [\[Back to Top\]](#)

What is the role of the HHF Review Agency (Sponsor)?

The HHF Review Agency will assist you in preparing your application and the required supporting documentation, answer questions you may have and pre-screen you for eligibility for the program. When you set up a profile in the online application, an HHF Review Agency will be assigned to you or you can choose from a list of agencies that currently serve your area. [\[Back to Top\]](#)

What if I believe the HHF Sponsor has made an error in their decision?

We ask that the borrower initially discuss his or her concerns directly with the assigned HHF Sponsor. However, it is important to note that the borrower must meet basic eligibility criteria to qualify for the HHF program. If an issue still remains, the borrower may contact hhfappeals@ihda.org. [\[Back to Top\]](#)

What is the Hardship Letter?

In order to receive assistance, households must provide a written explanation in the form of a signed letter detailing their hardship. This document outlines the specific nature of the household's hardship and the steps the borrower will take to increase or restore the household's income so that the borrower can resume mortgage payments independently at the conclusion of their assistance term. The online application will assist borrowers in creating this letter. [\[Back to Top\]](#)

These funds are electronically withdrawn from your bank account on the 15th of each month using ACH (automated clearing house) debit. If you are approved for Monthly Mortgage Payment Assistance, you must have a bank account and provide the information necessary to establish the electronic withdrawal. [\[Back to Top\]](#)

What happens if I don't have enough funds in my account to make my Borrower Contribution?

If there are insufficient funds in your bank account on the date that IHDA initiates an automatic withdrawal, IHDA will debit your bank account on the 15th of the following month. This ACH (automated clearing house) debit will include both the past due and current month's payment amounts. If the second electronic withdrawal fails you may be terminated from the program.

What should I do while I am waiting for my application to be processed?

1. **Do not avoid your lender’s communications.** Tell your lender that you are interested in keeping your home and that you are working with a housing counseling agency or HHF Review Agency. Continue to work towards a resolution with your lender and let your HHF representative know if they offer you a loan solution.

2. **Attend all court dates.** This is your opportunity to respond to the lender and ask the judge for additional time to work things out. Let the judge know that you are working with a non-profit housing counseling agency to apply for HHF assistance.

3. **Continue making mortgage payments.** If you continue to make your monthly payments, you may be able to prevent your loan from going into foreclosure.

4. **Prioritize your debts and reduce your expenses.** Make sure that you pay all of your housing bills (mortgage payment, utilities, etc.) each month. Search for ways to cut your monthly expenses.

5. **Talk to relatives, friends, or someone at your place of worship.** Although this is a difficult subject to discuss, family and friends may be willing to help you through this situation.

6. **Continue communicating with your HHF Review Agency.** If you have questions about the status of your application in the coming weeks contact your HHF Review Agency. If you wish to learn more about alternative mortgage loan modification options, call your HHF Review Agency or call 1-888-995-HOPE.
