

EMPOWERING WOMEN IN TECH: Pathways to Success Through Apprenticeships

NATIONAL APPRENTICESHIP WEEK

21 NOV 2024 AT 10 AM CST

Join us for an empowering panel discussion, designed to inspire and support women in technology! Leaders and Apprentices from **Google**, **CompTIA**, **United Airlines**, and the **Illinois Department of Innovation & Technology (DOIT)** will come together to share insights, strategies, and personal stories on advancing women in the tech field.

PANELISTS:

CompTIA: Donna Koppensteiner

Google: Emily Carpenter Knapp

United Airlines: Adriana Kemper & Kat Cooper

DOIT: Rachel Pevey

TOPIC DISCUSSIONS:

Diverse tech talent pipelines through apprenticeships

Breaking down barriers and overcoming stereotypes in tech

Programs that empower women's growth and leadership in tech

Creating supportive pathways to help women advance in tech
