

Energy Transition Community Grant

The Energy Transition Community Grant (ETCG) provides grant funds to support economic development in communities impacted by a closure or reduced operation of a fossil fuel power plant or coal mine.

Eligible Applicants:

- Local units of government within 30 miles of a closed or closing plant/mine. Including municipalities, counties, school districts, or other taxing districts
- Areas containing a fossil fuel, nuclear, or coal mine that was or will be closed/operations reduced within 6 years of grant application.

Grant funds can be utilized to fund an array of economic development activities to redevelop, revitalize, and support the local workforce and community.

Workforce Development

Financial Assistance

Public Infrastructure

Environmental Clean Up

Grants & Investment

Affordable Housing

Community Health

Commercial Redevelopment

Community Planning
