Facts about Adult Education:

- There are 79 Adult Ed programs through-out Illinois.
- 69,061 individuals receive Adult Education services in Illinois.
- Nearly 1.3 million of Illinois' 12.8 million adults have less than 12 grades of formal education.
- Approximately 2.8 million Illinois residents speak a language other than English as the primary language in their homes. English literacy skills for entry and advancement in the labor force are needed by many of these residents.
- Integrated Career and Academic Preparation System (ICAPS) programs provide students with both basic skills and professional technical training for specific career pathways, leading to both technical credentials and HSE preparation.
