

Please join Young Invincibles and the Chicago Jobs Council for our series of free Apprenticeship 101 Workshops **geared towards workforce professionals and service providers** where you will learn all the basics of multiple apprenticeship models and help identify how your organization could take advantage of the opportunities related to apprenticeship models in Illinois.

After attending the workshop, you will be able to:

Have extensive knowledge of the terminology surrounding apprenticeship programs and how they currently operate in Illinois.

Best practices associated with Illinois four apprenticeship models: pre-apprenticeships, youth apprenticeships, non-registered apprenticeships, and registered apprenticeships

Have a clear picture of the various roles (e.g., supportive services, or preparation provider) organizations like you can play in apprenticeship model.

Please visit our web page to find more about dates and locations:
