	Schools with 3 completers	1									

Note: * completer count for this program is a low estimate; several private programs completer data were unavailable for inclusion.
In Illinois, over 100,000 licenses are annually issued.

Sources: 2009 Enrollments/ Degrees Database - Illinois Board of Higher Education
2009 Graduating Concentrators Database - Illinois State Board of Education. Concentrators are defined as students enrolling in two or more training-level courses within a program sequence.

Coverage: All institutions of higher education including public universities, community colleges, independent not-for-profit institutions, independent for-profit institutions, and out-of-state institutions approved to offer degree programs in Illinois. ISBE data currently cover only students participating in approved Career and Technical Education programs.
