Provider/Customer Process Flow Overview

Suitability Process Flow Overview

Customer completes the online application that includes:

- WIOA Pre-Screening
- Suitability
 - If the customer is suitable, they are referred to the local LWIA.
 - If suitable, a program is recommended.
- Basic Application

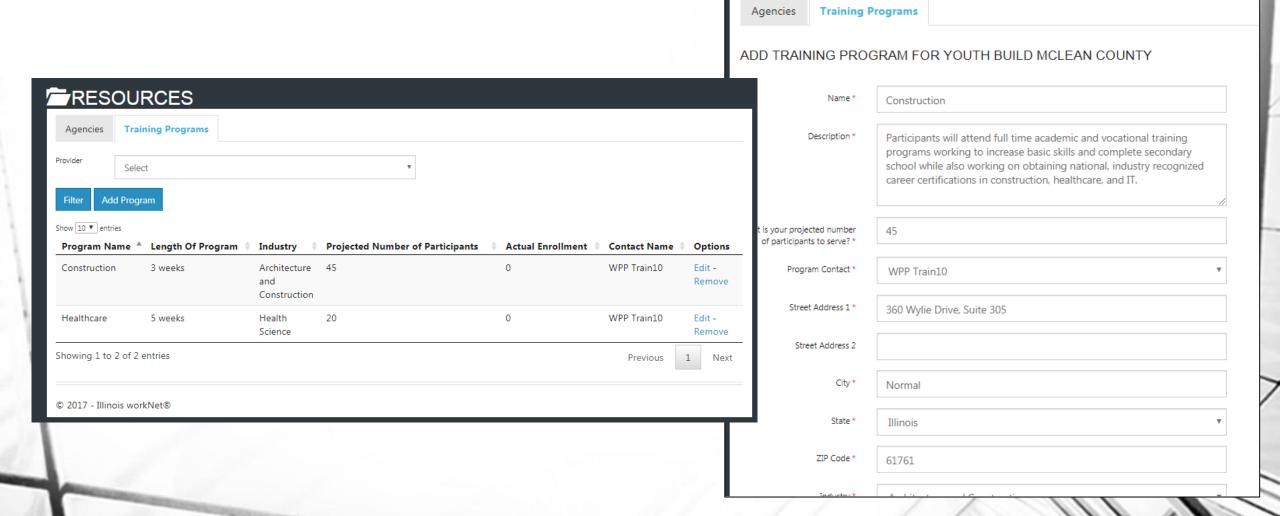

Application populates:

- Customer Support Center
 - Adds customer to the appropriate group.
- Suitability Page
 - Aligns customer to recommended training programs based on the "hard stop" requirements within the training program profile.
 - Populates the other "things to consider" when selecting a training program.

Staff completes the suitability review within the Customer Support Center:

- Ensure they meet WIOA eligibility requirements.
- Review employment goals.
- Review recommended training programs.
- Select best fitting recommended program, after reviewing customer application information.
