**Save time —
Certify for unemployment
benefits by phone!**

Once you file for unemployment insurance at a local IDES office or via the Internet, you must then “certify” to your eligibility for benefits. The best way to certify for benefits is the internet. You can certify for benefits online at <http://www.ides.illinois.gov/certify>.

Call Tele-Serve: (312) 338-4337

Available

Monday through Friday

5:00 a.m. to 7:30 p.m.

TDD/TTY. . .1-800-662-3943

Monday through Friday

8:30 a.m. to 5:00 p.m.

With Tele-Serve, you can:

- certify to your eligibility for unemployment insurance benefits
- reopen a claim for unemployment insurance
- check the status of your unemployment claim
- request federal income tax form 1099G
- obtain other IDES information

If you do not call in to certify, you will not receive your unemployment insurance benefits.

Three steps to using Tele-Serve

1. File for unemployment benefits in person at a local IDES office or Illinois workNet Center or on the Internet at www.ides.illinois.gov.
2. IDES will mail you a letter with your assigned call-in day. If you do not receive this information within two weeks from the date you filed your claim, contact your local IDES office.
3. Call Tele-Serve on the scheduled day every two weeks.
 - The first time you call, you will create a personal identification number (PIN). Save this, you'll need it every time you call
 - Enter your PIN and answer the automated questions using a touch-tone phone.

When you call, have the following information available:

- Your Social Security number and your PIN
- Any gross wages you earned (before taxes and holiday pay) during this certification period
- Paper and pencil to record any information given to you during your call

If you cannot certify via telephone because you do not speak or read either English or Spanish, or you do not have access to a touch-tone phone, contact your local IDES office within one week after filing your claim to arrange for special accommodations.

Eligible claimants will receive their benefit payments via a debit card or, if elected, through direct deposit usually three days after they certify.

If You Miss your Call Day

If you miss your regular call day (Monday, Tuesday or Wednesday), you may still call on Thursday or Friday of that same week. You may also call on your regular call day in the following week (or Thursday or Friday of that week). Payment of benefits will be based on certifying for benefits in a timely manner and meeting the eligibility requirements of the Illinois Unemployment Insurance Act.

Keep your PIN!

- Write down and keep your PIN. You will need it every time you call in. Your PIN is valid for your entire benefit year.
- The PIN Maintenance option on Tele-Serve allows you to change your PIN if you feel it is no longer secure.
- If you forget your PIN, contact your local IDES office to have your PIN reset.

Note: Your PIN has the same legal effect as your signature has on a paper document. DO NOT give your PIN to anyone. If you believe someone knows your PIN or if you forget your PIN, call your local IDES office immediately. The existing PIN will be reset so that you can establish a new PIN by phone. Do not reveal your PIN to anyone. IDES personnel do not have access to your PIN; they can only reset it. It is your responsibility to ensure that your PIN is not misused.
