How to Access the IEBS System

1. Create an Illinois workNet Account
2. Request Access to the IEBS Platform
3. Logging into IEBS

Creating an Illinois workNet Account

An Illinois workNet account is required for access to IEBS.

1. Navigate to Illinois workNet Homepage (https://www.illinoisworknet.com)
2. Click on Sign Up in the workNet header
3. Complete the registration form with the required information.
4. Read through and accept the Terms and Conditions.
5. After submitting your information, check your email for a link to activate your account.

Requesting Access to the IEBS Platform

1. After you have created an Illinois workNet account, contact your LWIA Administrator.
2. Inform them that you are requesting access for IEBS. Be sure to include:
   a. Name
   b. Email Address
   c. Position/System Access Role
3. Your LWIA Administrator will send an email to:

   Patti Schnoor < patricia.schnoor@illinois.gov>

   info@illinoisworknet.com

   CC: dreinhardt@illinoisworknet.com

   CC: marcus.lathan@siu.edu
4. Once approved, you will receive an email confirming your request along with login instructions and IEBS resources.

Logging into IEBS

IEBS can be accessed:

From the partner page –
https://illinoisworknet.com/IEBS

Directly from this address -
https://apps.illinoisworknet.com/iebs. From
Illinois workNet "My Dashboard" as pictured.
