- ◆ The program is offered in five regions. The website's regional map shows intake locations including contact information and the training offered by each region.
- ◆ Potential participants can review the application checklist, watch a short video on how to complete the online application, and submit their application.
- ◆ Locally customizable flyers are available for download.
- ◆ Workforce partners implementing the program use the online guide and other facilitation tools such as personal training plans.

The screenshot shows the ATIM website interface. On the left is a 'Regional Map' with a legend and a map of Illinois divided into five colored regions (blue, green, yellow, purple, red) with red location pins. On the right is the 'Apply' section, which includes instructions on how to apply, a checklist of required information (Address, Phone Number, ZIP Code, Social Security Number, etc.), and a link to download the application checklist. Below the 'Apply' section is a video player showing a 'How to Apply for Accelerated Training' video.

This flyer features the ATIM logo and a large green arrow pointing right. Below the arrow is a photo of three people in a workshop. Underneath the photo are four categories: Machine Operator, Mechatronics (Equipment Service & Repair), Welding, and Logistics/Inventory. The text 'Learn skills to get into high-growth jobs.' is followed by a description of the program and a list of skills. At the bottom, it provides the website URL www.iworknetmanufacturing.com/ATIM and the ILLINOIS workNet CENTER logo.

This flyer is titled 'Be an ATIM Employer' and features the ATIM logo. It includes a photo of a worker and a list of skills: Machine Operator, Mechatronics (Equipment Service & Repair), Welding, and Logistics/Inventory. The text describes the program's goal to provide accelerated training tailored to regional needs. It lists 'Key Program Elements' such as responding to regional demand, providing industry-recognized training, and offering on-the-job training (OJT) opportunities. At the bottom, it provides the website URL www.iworknetmanufacturing.com/ATIM and the ILLINOIS workNet CENTER logo.

The screenshot shows the 'Accelerated Training for Illinois Manufacturing (ATIM) Workforce and Education Partner Online Guide' interface. It features three main navigation icons: ATIM Updates, Workforce and Education Partner Registration for ATIM Training, and Videos for Workforce and Education Partners. Below these are sections for 'Sign in to ATIM Tools' and a grid of resource links including 'Get Started', 'Participants', 'Training/Career Plans', 'Work Experiences', 'Downloads', and 'FAQs'. A note at the bottom states '** indicates resources coming soon'.
