Overview

Purpose:

The Illinois workNet Resume Builder is a tool that case workers and/or career navigators can use with their customers to:

- Create professional-looking resumes, cover letters, and other correspondence.
- Identify potential career paths through skill and interest assessment tools.
- Create portfolios and websites to illustrate one’s past projects, work, and educational experience.
- Practice interview skills in real-time and record videos to create video resumes.

Who Enters/Maintains Data

All Illinois workNet partners can access the Illinois workNet Resume Builder through the Customer Support Center. It is available in special programs, IWDS groups, and partner person groups. If a person group is used, partners must invite customers to join the group.

- **Partner Role-** Staff can view/edit Career Plans for customers in their region/office.
- **Customers-** Customers can access their information from their career plan located in My Dashboard.

Access Customer Progress Page

1. Log into www.illinoisworknet.com.
2. Select **My Dashboard**.
3. Select **Partner Tools**.
4. Select **Customer Support Center**.
5. Select **Groups** in the top menu.
6. Select **your personal group**.
7. Select the **customer's name** to access their information.
8. Select the **Optimal Resume** tab.

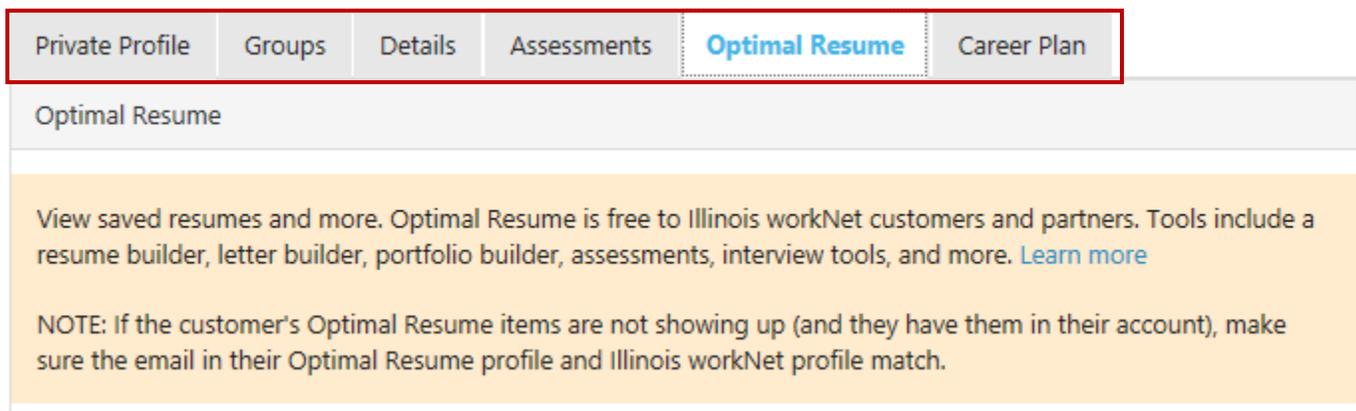

Access My Dashboard Page

To access the entire Illinois workNet Resume Builder suite to create resumes, letters, websites and other projects, follow the steps below:

1. Log into www.illinoisworknet.com.
2. Select **My Dashboard**.
3. Select **Optimal**.

How is the Illinois workNet Resume Builder organized?

The Main Illinois workNet Resume Builder Navigation

Overview provides a list of customers' saved resumes, assessments, cover letters and more. Partners only have the option to view customers' saved documents in Optimal Resumes.

1. **View Options** provides printing options in Web, RTF, and PDF.

Illinois workNet Resume Builder Sections

Overview

Resumes and Letters allows career planners/partners and students to browse professionally certified resume and cover letter samples from O*Net by job family and experience level.

Portfolio allows students to create structured portfolios highlighting their projects, coursework, theses, resume, cover letters, etc. for college admission and professional matters.

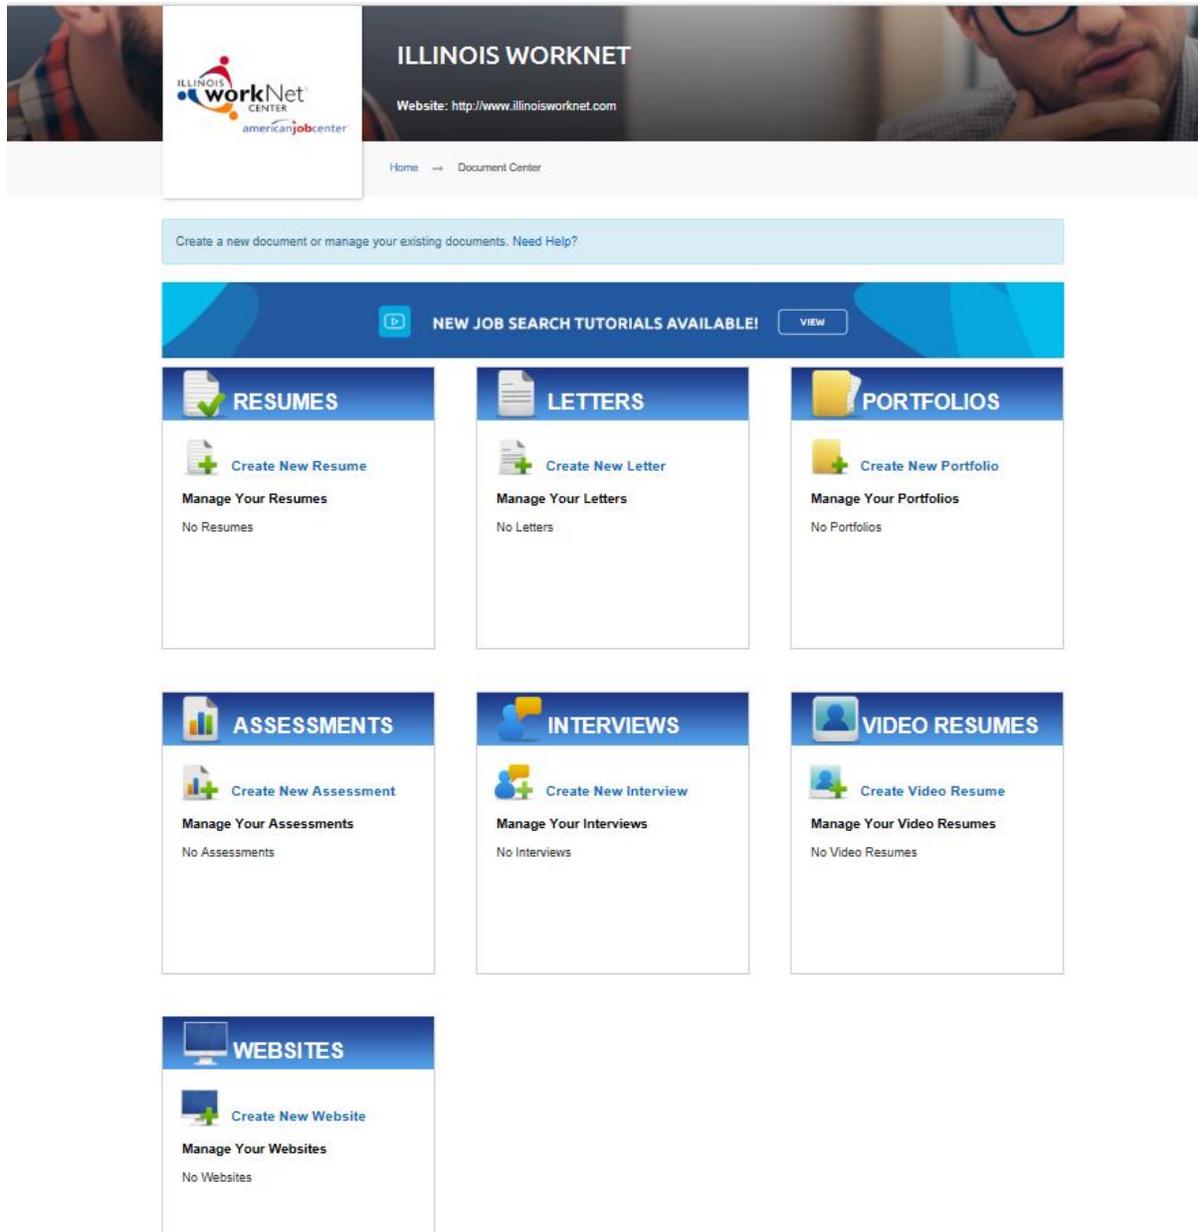

Assessments – this section offers students the option to take a skills inventory assessment or accomplishment/proficiency worksheet to identify their skills, knowledge, and abilities to specific occupations.

Interview – provides interviewing and coaching skills to prepare customers for job or admission interviews.

Video Resumes – provides customers with the tools for creating, rehearsing, recording, and publishing multimedia items such as video resumes, introductions, and pitches.

Websites – allows customers to create professional websites with dedicated pages for resumes, letters, portfolios, video resumes, and more.

Document Center- Review and edit all saved documents within your Illinois workNet Resume Builder account.

Resume Builder

When looking for employment or other professional opportunities, it is important for your customers to create a resume. The Resume tool provides customers the opportunity to provide a summary of their skills, abilities and accomplishments.

1. Select **Create New Resume**.
2. Enter a **name for the resume** that is 30 characters or less.
3. Select **Upload Resume**. If a customer has a resume already saved, upload it here. Please note you can not edit an updated resume.
4. Select **Start Resume** to begin or **Cancel** to end your session.
5. Select **Getting Started** to watch a video for an overview of the Resume Builder.
6. Select **Browse** for Samples, Section Sets, and Start From Scratch to build a resume with or without templates.
 - Select **Browse Samples** to choose a sample resume from a specific category highlighting the industry and experience level of your choice.
 - Select **Section Sets** to choose the **Resume Categories**, **Resume Type**, and **Resume Sections** you would like to include in your resume.
 - Select **Start From Scratch** to build your customized resume of the sections you would like to include.

Description

A broadcast letter usually does not address a specific individual about a specific position. It is focused on uncovering opportunities. An effective broadcast letter paints a picture of someone with a strong, marketable skill set who will make a valuable employee. It does not need to repeat content in the resume, but should highlight key experiences and qualifications that may be attractive to a prospective employer.

Assessments

Encourage your customer to identify their strengths and skill sets with assessments

- Select **Create New Assessment**
- Enter a **name for the assessment** that is 30 characters or less.
- Select **Assessment Type** to begin or **Cancel** to end your session.
 - **Skills Inventory:** Identify and describe your marketable skills and abilities
 - **Accomplishment Sheet:** Identify and discuss relevant accomplishments for specific occupations
 - **Proficiency List:** Identify and discuss occupation-specific skills
- Select **Getting Started** to watch a video for an overview of the **Assessment Builder**.
- Select **Begin Assessment** to start.

The screenshot displays the Assessment Builder interface. At the top, there is a navigation bar with options: Back To: Select Assessment Type, Click here for help, and a toolbar with icons for Rename, Delete, Clone, Share, To Do, and Switch Skills Assessments. Below the toolbar, a loading message reads "Loading. Please wait".

The main content area is divided into two sections: SKILLS (35) and ABILITIES (52). Each section has a header with "EXPERIENCES" and "ADD MORE" buttons. Below the headers are tables with columns for "Courses", "Jobs / Internships", "Service / Volunteer Work", "Memberships / Activities", and "Interests / Life Experiences". Each cell in these tables contains an "Add" button. The SKILLS section lists skills such as Judgment and Decision Making, Management of Financial Resources, Coordination, Critical Thinking, and Negotiation. The ABILITIES section lists abilities such as Oral Comprehension, Oral Expression, Written Comprehension, Problem Sensitivity, Speech Clarity, and Speech Recognition.

Portfolio

Showcase your talents, most relevant skills, and professional growth through portfolio.
