

How to Access the Local Workforce Area Contact System

1. Create an Illinois workNet Account
2. Request Access to the LWACS
3. Logging into LWACS

Creating an Illinois workNet Account

An Illinois workNet account is required for access to LWACS.

1. Navigate to Illinois workNet Homepage (<https://www.illinoisworknet.com>)
2. Click on **Sign Up** in the workNet header
3. Complete the registration form with the required information.
4. Read through and accept the Terms and Conditions.
5. After submitting your information, check your email for a link to activate your account.

Requesting Access to LWACS

1. After you have created an Illinois workNet account, please send an email to:
Mike Bake Michael.Baker@illinois.gov & info@illinoisworknet.com
2. Once approved, you will receive an email confirming your request along with login instructions and LWACS resources.

Logging into LWACS

LWACS can be accessed through the following web address: <https://apps.illinoisworknet.com/lwacs/>

You can also access it via your *My Dashboard* tab on Illinois workNet:
