RE: Issuance of Governor's Guidelines – Revision 2

DATE: December 8, 2016

The **“GOVERNOR’S GUIDELINES TO STATE AND LOCAL PROGRAM PARTNERS NEGOTIATING COSTS AND SERVICES UNDER THE WORKFORCE INNOVATION AND OPPORTUNITY ACT OF 2014–REVISION 2”** is available and now online at the following link:

<https://www.illinoisworknet.com/WIOA/Resources/Pages/Public-Documents.aspx>.

These revised guidelines supersede the previous version and take effect immediately. The revised guidelines include new requirements for negotiation of local memoranda of understandings (MOUs) for the program year beginning July 1, 2017. Many changes and new requirements contained in the revision stem from the WIOA Final Rule which became effective in October 2016.

Fillable versions of the MOU Template and the annual budget spreadsheet will be issued separately from these Guidelines. A webinar covering the revised Governor's Guidelines is planned for Friday, December 16, 2016 from 1:00-2:00 pm. The webinar can be accessed at: <http://siuccwd.adobeconnect.com/wioaworks/> or 866-803-3878.
