Sources: 2009 Enrollments/ Degrees Database - Illinois Board of Higher Education

2009 Graduating Concentrators Database - Illinois State Board of Education. Concentrators are defined as students enrolling in two or more training-level courses within a program sequence.

Coverage: All institutions of higher education including public universities, community colleges, independent not-for-profit institutions,

independent for-profit institutions, and out-of-state institutions approved to offer degree programs in Illinois.

ISBE data currently cover only students participating in approved Career and Technical Education programs. No ISBE data are included in R&D.

Analysis: Occupations listed in the STEM Profile were crosswalked to their related Classification of Instructional Program (CIP) codes.

This summary includes an unduplicated ranking of programs according to the reported certificates and degrees awarded in 2009.
