Upcoming Changes

WHAT'S HAPPENING

- ✓ Skills & Interests Surveys (powered by CIS360) will be phased out of Illinois workNet.
- ✓ The **Illinois workNet Interest Profiler** will launch **June 9th**, fully integrated into user accounts.

WHAT THIS MEANS

- ✓ Skills & Interests Surveys results will no longer be connected to workNet accounts after **June 8th**.
- ✓ The new workNet Interest Profiler will replace Skills & Interests Surveys and serve as an assessment tool moving forward.

Note: CIS360 surveys will still be available through the Illinois Career Information System (CIS) via the Illinois Department of Employment Security (IDES).

Interest Profiler: **Coming Soon!**

- A brief and easy-to-complete questionnaire that identifies work-related interests and explores career options. Launching **June 9, 2026**.

WORKFORCE ASSESSMENT

- Built on O*NET Interests Careers.
- Detailed career descriptions with a focus on Illinois data.

INTEGRATED

- Embedded in Illinois workNet.
- Results automatically save to your account under My Dashboard.
- Ability to retake the assessment.

ACCESSIBLE

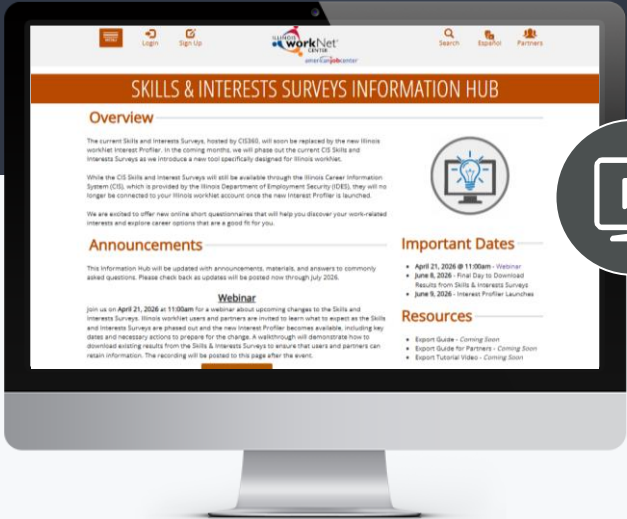

- Works on computers, phones, and tablets.
- Language translation available.
- Printer friendly results.

PARTNERS

- Partner accounts can see their customers results.
- Work directly with individuals to review results.
