Apprenticeship Expansion Grantees

- Prior to reviewing this power point on Youth Eligibility, it is important that you view and understand the details that were covered in the previous presentations on:
 - WIOA General Eligibility
 - WIOA Low Income

WIOA Youth Program

- Workforce Innovation and Opportunity Act of 2014
 - In-School Youth is a separate category from Out-of-School Youth and the eligibility between these two are significantly different.

WIOA In-School Youth

- WIOA E-Policy Chapter 5.4.2 - In-School Youth:
 - In-School Youth - Youth not younger than 14 or older than age 21
 - Attending school (as defined by state law)

Guidance from TEGL 21-16

- For purposes of WIOA, providers of adult education under Title II of WIOA, YouthBuild programs, the Job Corps program, high school equivalency programs, and dropout re-engagement programs are not considered to be schools for the purposes of determining school status, with one exception:
 - Youth attending high school equivalency (HSE) programs, including those considered to be dropout re-engagement programs, funded by the public K-12 school system that are classified by the school system as still enrolled in school are considered ISY.

Determining School Status

- Within the Apprenticeship Expansion Application on Goals & Current Situation screen, under “Education” is where the question to determine if an individual is an In-School Youth (ISY) or an Out-of-school Youth (OSY).
- The school status should be recorded based on what the client is doing at the time of application, not what the client is going to enter.

EDUCATION

- I am currently in school.
- I have a hard time with reading, writing, and/or math.
- I have trouble with reading or speaking English.
- I dropped out of high school.
- I have not attended high school in the last quarter.

Within Apprenticeship Application

- If “I am currently in school.” is checked, then three other questions come up and the appropriate choice should be marked for the client.
- As a reminder, the maximum age for an In-School Youth client is age 21, if the client is over the age of 21, and is in school there are no options for Youth eligibility criteria.

EDUCATION

- I am currently in school.
- I am attending high school, junior high, middle, or elementary school.
- I am attending an alternative high school.
- I am attending college, technical, or vocational school.

Determining School Status

- When the selection of “I am currently in school.” is checked, then three other selection choices appear, when any of those are populated, if the client is under the age of 22, internal logic will consider the individual an In-School Youth for eligibility criteria.
- For this example client, he is 21 years old, a H.S. graduate, that is currently in college.

EDUCATION

- I am currently in school.
 - I am attending high school, junior high, middle, or elementary school.
 - I am attending an alternative high school.
 - I am attending college, technical, or vocational school.

In-School Youth

- WIOA E-Policy Chapter 5.4.2 - In-School Youth:
 - 95% of the In-School Youth must meet low income criteria (see WIOA E-Policy Chapter 5.5 - Low-Income Individuals)
- As mentioned earlier, it is essential that you have viewed and understand the **previous power point on WIOA Low Income** so you understand the eight different ways an In-School Youth client could meet WIOA Low Income criteria.
- Lastly, all In-School Youth clients must have one or more of the following barriers shown on the next slide.

WIOA In-School Youth Barriers

1. Basic Skills Deficient
2. An English Language Learner
3. An offender
4. Homeless
5. Runaway
6. Foster Child or aged out of foster care

Basic Skills Deficient (BSD)

- If an individual scores at or below 8th Grade Level on either their Math or Reading Assessment test they would be determined BSD.
- In WIOA Notice NO 19-NOT-01, Change 1 that was released by OET Policy in July 2020, it includes an alternative way an individual can be determined BSD using the Basic Skills Screening Tool (more on this later).
- Lastly, if an individual is assessed as an English Language Learner (ELL), they are also determined to meet BSD criteria.

Basic Skills Screening Tool

- If an individual replies “No” to any of the following questions on the screening tool, they can be determined BSD:

- 1) Do you have a high school diploma, General Education Development (GED) certificate or High School Equivalency Diploma (HSED)? Yes No Currently in high school (does not include GED or HSED programs)

- Many Youth barriers, including those associated with the barriers of “Basic Skills Deficient” and “English Language Learner” are on the “Goals & Current Situations” screen of the application.

Youth Barriers

- Within the Apprenticeship Expansion Application on Goals & Current Situation screen there are questions under the Education section of “I have a hard time with reading, writing, and/or math.” and “I have trouble with reading or speaking English.” If either of those are checked as part of the application, the client will be identified with the barrier of Basic Skills Deficient or English Language Learner.

Youth Barrier Must Understand

- Under Youth eligibility, there is a barrier for, “An individual **requiring additional assistance** to enter or complete an educational program or to secure or hold employment.”
- It is important to understand the criteria to support this barrier is determined by each Local Workforce Innovation Area (LWIA) in their own Local Policy.
 - So if this barrier is indicated in an application, staff must explain in the case note, how the client meets the particular criteria that is laid out within the LWIA Policy on this barrier.

Youth Requiring Assistance

- On the “Goals & Current Situation” screen in the application it asks under Education, “I need help to enter or complete an educational program or to secure or hold employment.”
- If this is populated with a check, the youth barrier of “An individual requiring additional assistance to enter or complete an educational program or to secure or hold employment.” is indicated.

EDUCATION

- I am currently in school.
- I have a hard time with reading, writing, and/or math.
- I have trouble with reading or speaking English.
- I dropped out of high school.
- I have not attended high school in the last quarter.
- I need help to enter or complete an educational program or to secure or hold employment.

Youth Needing Assistance Documentation

- If the “Youth needing assistance” barrier is claimed, when eligibility is completed you would be required to provide details in a case note on how the client meets the criteria outlined with the LWIA local policy on this barrier.
- It is really important to understand these details for this barrier.

Concludes In-School Youth (ISY)

- This concludes the portion of the presentation on ISY, key points to remember are for an ISY the Youth is required to meet WIOA Low Income criteria and have one or more of the identified Youth barriers.

Out-of-School Youth Eligibility

- WIOA E-Policy Chapter 5.4.1 - Out-of-School Youth
 - Out-of-School Youth - Youth not younger than 16 or older than age 24.

Out-of-School Youth

- WIOA E-Policy Chapter 5.4.1 - Out-of-School Youth
 - Not attending any school as defined under state law.
 - Individuals attending Adult Education provided under Title II of WIOA, YouthBuild or Job Corps are also classified as out-of-school youth for eligibility determination;

Guidance from TEGL 21-16

- If a youth graduates high school and registers for postsecondary education, but does not ultimately follow through with attending postsecondary education, then such a youth would be considered an OSY if the eligibility determination is made after the point that the youth decided not to attend postsecondary education.
- If the youth is only enrolled in non-credit-bearing postsecondary classes, they would not be considered attending postsecondary school and, therefore, an OSY.

Determining School Status

- Within the Apprenticeship Expansion Application on Goals & Current Situation screen, under “Education” is where internal logic will determine if an individual is an In-School Youth (ISY) or an Out-of-School Youth (OSY).

EDUCATION

- I am currently in school.
- I have a hard time with reading, writing, and/or math.
- I have trouble with reading or speaking English.
- I dropped out of high school.
- I have not attended high school in the last quarter.

School Status at Application

- The school status should be recorded based on what the client is doing at the time of application, not what the client is going to enter.
- If the client is not attending any high school or post-secondary school (College, Technical or Vocational) the question of “I am currently in school.” should be left unchecked.
- When the question of “I am currently in school.” is left unchecked, if the client is between the ages of 16 and 24, internal logic will consider the individual an Out-of-School Youth for eligibility consideration.

The following out-of-school youth barriers do not require the individual to meet low income criteria:

1. School Dropout
2. Within the age of compulsory attendance but has not attended school for at least the most recent complete school year quarter
3. Subject to the juvenile or adult justice system
4. Homeless
5. Runaway
6. Foster care or aged out of foster care
7. Pregnant or parenting
8. An individual with a disability

High School Drop Out

- Within the Apprenticeship Expansion Application on Goals & Current Situation screen, under “Education” is where there is a question “I dropped out of high school.”
- This barrier can only be used for an individual who drops out of High School and has not gone back to school. If they dropped out but went back or obtained their General Equivalency Degree (GED), they are not considered a “Drop Out” under WIOA Eligibility.

EDUCATION

- I am currently in school.
- I have a hard time with reading, writing, and/or math.
- I have trouble with reading or speaking English.
- I dropped out of high school.

Documentation for Drop Out

- If a client under the age of 25 indicated “I dropped out of high school.” in the application, it is a barrier to support Youth eligibility.
- Below are the choices for the documentation to support the barrier of a disability.
- If the client met the General WIOA Eligibility and has this barrier they would be eligible as an Out of School Youth.

Not Attended High School in a Quarter

- In some instances, a High Schools might not consider an individual to be a High School Drop Out until the end of a school year.
- Under the WIOA legislation, the Out-of-School Youth barrier of “Within the age of compulsory attendance but has not attended school for at least the most recent complete school year quarter” was added for this reason.

Not Attended High School in a Quarter

- Within the Apprenticeship Expansion Application on Goals & Current Situation screen, under “Education” is where there is a question “I have not attended high school in the last quarter.”
- This barrier can only be used for an individual who is of legal age to drop out, and has not attended school in the last quarter, but the school does not consider the individual as a drop out.

EDUCATION

- I am currently in school.
- I have a hard time with reading, writing, and/or math.
- I have trouble with reading or speaking English.
- I dropped out of high school.
- I have not attended high school in the last quarter.

Documentation for Not Attending School

- If a client is of legal age to drop out of High School, but the school does not consider the individual a drop out, the barrier of “Within the age of compulsory attendance but has not attended school for at least the most recent complete school year quarter” was added.
- If the question of “I have not attended high school in the last quarter.” is checked, below are the documentation choices.
- If the client met the General WIOA Eligibility and has this barrier marked they would be eligible as an Out of School Youth.

Subject to Justice System

- Under the WIOA legislation, under In-School Youth (ISY) there is a barrier for an "Offender", for the Out-of-School Youth (OSY) this barrier is called, "Subject to the juvenile or adult justice system."
- In the March 2017, TEGL 21-16 - WIOA Youth guidance it was clarified that the OSY barrier of "Subject to the juvenile or adult justice system" has the same definition as the ISY barrier of "Offender".

Subject to Justice System

- An adult or youth is “Subject to the Juvenile or Adult Justice System” if, (A) who is or has been subject to any stage of the criminal justice process, for whom services under this Act may be beneficial; or (B) who requires assistance in overcoming artificial barriers to employment resulting from a record of arrest or conviction.

Subject to Justice System

- As previously mentioned, many of the questions related to Youth barriers are on the Goals & Current Situation screen in the Apprenticeship application.
- Under “Legal”, as shown below are two questions, if either question is checked, it would be indicated as the barrier of “Subject to the Juvenile or Adult Justice System” for an Out-of-School Youth client.

Out-of-School Youth Barriers

- For the other Out-of-School Youth barriers that **do not** require a client to meet **WIOA low income criteria** are shown in the adjacent column, we have already covered the place in the application where those questions are addressed and the various documentation for those barriers.
 - Homeless
 - Runaway
 - Foster care or aged out of foster care
 - Pregnant or parenting
 - An individual with a disability

Out-of-School Youth Barriers

- If an Out-of-School Youth (OSY) did not meet any of the previously addressed barriers, there are two more possible barriers that could support OSY eligibility, but both require the client to meet WIOA Low Income criteria with the barrier.

The following out-of-school youth barriers require the individual to meet WIOA low income criteria:

1. A recipient of a secondary school diploma or its recognized equivalent who is low-income individual and is
 - Basic Skills Deficient, or
 - An English language learner
2. A low-income individual requiring additional assistance to enter or complete an educational program or to secure or hold employment (must be justified based on local policy.)

H.S. Diploma or GED & BSD or ELL

- For this barrier, the client will need to have been an OSY that has already graduated H.S. or completed their GED, but is Basic Skills Deficient from any of the various ways that were addressed on slides 13-20 in this power point.

Youth Requiring Assistance

- For the barrier of “requiring additional assistance to enter or complete an educational program or to secure or hold employment.” were addressed on slides 38-40 of this power point.

WIOA Youth Eligibility

- This concludes the block on Youth Eligibility.
