TRANSITION GUIDE:

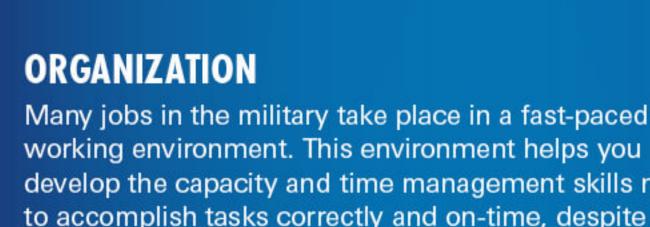

TURN YOUR MILITARY SKILLS INTO A CIVILIAN CAREER

When making the transition from a military career to a civilian career, it is important to identify the soft skills you have learned in the military that are valuable for civilian careers. These skills, such as communication,

organization, and development of leadership qualities can prove invaluable

to employers. By highlighting these soft skills in your resume and cover letter, you can position yourself as an asset to prospective employers. Below are some of the top soft skills that employers seek. ADD THESE SOFT SKILLS TO YOUR RESUME! LEADERSHIP

working environment. This environment helps you develop the capacity and time management skills needed to accomplish tasks correctly and on-time, despite limited resources and immense pressure.

During your time in the military you learn strong
