

Become an Illinois workNet® Workforce and Education Partner

- Go to www.illinoisworknet.com and select Workforce and Education Partners Enter Here.

- Select the link for number 1 to see if you are already a partner.

Select your county on the map.

If your organization is on the list, you are a partner.

Select your location and fill out the form to create your workforce partner account.

Once your account is reviewed and approved, you can access the workforce partner tools.
