

Program Year 2026 Regional and Local Plan Modification Guidance

Final Regional and Local Plan Guidance

- Reminder of formatting requirements
- Overview of major changes to planning guidance

Final Regional and Local Plan Guidance

Formatting Requirements:

- Follow Planning Guide structure and chapter headings
- Submit two versions: Word doc with Track Changes and clean version

Final Regional and Local Plan Guidance

1. Change Across All Chapters

- “Workforce equity lens” replaced with “responsiveness, inclusivity, accessibility” (RIA)
- RIA must be described in specified regional and local chapters
- Aligns with Illinois Workforce Innovation Board language

Final Regional and Local Plan Guidance

2. Regional Planning Guidance

- Incorporate updated economic & workforce data from new data packets

Final Regional and Local Plan Guidance

2. Regional Planning Guidance

- Revised Sector Partnerships section (Ch. 1.B)
- Updated definition of sector partnership
- Identify neutral conveners & geographic coverage
- Confirm partnerships are authentically business-led
- Do not list isolated sectoral activities
- Integrate TPM framework requirements

Final Regional and Local Plan Guidance

3. Local Planning Guidance Changes

- Three additions to Ch. 4.H
 - Support for immigrants and migrants
 - Efforts to support SNAP recipients (new work requirements)
 - Plans to coordinate with Workforce Pell Grant recipients (2026–27)
