in Information
Technology***

History

34.9% of individuals with disabilities are employed in Illinois, which is slightly higher than the national average of 33.7%. This employment statistic supports the need for additional employment and training programs for people with disabilities. The Disability Employment Initiative (DEI) creates training and employment programs to assist with the removal of “barriers to employment” for people with disabilities.

ELIGIBILITY

- *Between the ages of 18 – 24*
- *Have a documented disability*
- *Cook County resident*

*“If you’re not willing to learn,
No one can help you
If you’re determine to learn,
No one can STOP You !!!”*
