Re-engagement Process
The new process for customers, potentially returning to EPIC, are found here:
Deidre Wesley and her team will typically update the customer to "Pending Re-engagement", after which, the FCRC will determine by phone or appointment whether or not the customer is eligible and wishes to be re-engaged. The FCRC will mark the customer’s EPIC profile appropriately and schedule those who wish to be engaged for a new CBO intake appointment.

Program Information
The links to agency websites and brochures are available on the Restricted Resources page. They can be shared with customers along with information that can be found at the top of the New Cohort Invitation page.

Updates
Updates occurring since the July 13th webinar can be found at this link:
https://www.illinoisworknet.com/partners/EPIC/Pages/Updates.aspx

New Cohort
Volunteer customers do not have to have the family assessment completed. In the volunteer counties, if the assessment is part of the process it must still be completed.

- **North Lawndale Employment Network**
Moving Forward is NLEN’s 12-18-week Transportation, Distribution and Logistic skills training partnership with the Chicago Transit Authority (CTA) and many employers. Through this program, participants are trained for Transportation, Distribution and Logistic positions as there is a growing demand for trained Warehousing stockers, Diesel Mechanics, Merchandisers, Delivery Drivers and Bus Operators.

*Individuals who successfully complete our 12-18-week training on the "Diesel Training" Track will be qualified to work within the TDL career sector and not limited to positions such as a Bus and Truck Mechanic/Operator or a Diesel Engine Specialist.*

*Individuals who successfully complete our 12-18-week training "Administrative Excellence" Track will be qualified to work within the TDL career sector and not limited to positions such as Administrative Service Manager, Transportation/Warehouse Manager, Human Resources, Dispatcher, Receiver, etc.*

- **National Able Network**
IT Bridge with National Able Network is a program designed to help customers jump the gap from everyday life into IT training! This program begins with basic education courses to help customers relearn study skills, brush up on memorization, raise TABE scores, and even earn a GED if need be!

The benefits of IT Bridge include:
- **Small classes** to assist customers in raising TABE scores, obtaining a GED, or just practicing and improving test taking skills
- **Access to IT Essentials**, a Cisco Academy course that can be done at home and teaches A+ type material to build background knowledge before ITCL
- **IT centered curriculum** to ensure a core knowledge
- **Streamlined referral to IT Career Lab**
- **Paid Work Experience (PWE) funding** for customers who earn or have a recent IT credential

IT Bridge is specifically designed to aid those with:
• Recent TABE scores below 10.0 in Math and / or Reading and above 4.0
• OR a lack of GED / high school diploma
• A genuine interest in a career in IT
