### **CBO Contact Updates**

Please review the CBO Contacts List to ensure the information is correct for us to reach out to you and/or your staff, found on the Restricted Resources page.

### **Training**

If your program closed, update the Training Programs in EPIC to reflect the actual number of customers you served. The Open Program should be updated to reflect the number you are planning to enroll in training based on the last modification. The sum (Closed Programs and Open Programs) will equal the Total Planned to Enroll in a training program of the modification. The webinar demonstrates where to find this information.

### **Periodic Financial Report and Periodic Performance Report**

Due: October 30, 2018 – Send to Tammy Stone ([tammy.stone@illinois.gov](mailto:tammy.stone@illinois.gov))

Grantees need to be diligent in recruiting customers and getting them enrolled by the end of November. DHS will no longer refer customers to EPIC after November 31<sup>st</sup>; grantees need to be proactive if Planned Performance Numbers are still needed. Watch the webinar for the statewide report; Tammy will share your individual agency information with you.

### **Staff Training**

We plan to provide staff training as one of the deliverables for the grant; hopefully, this will benefit your agency moving forward. Tammy will send information about training taking place, more than likely in January.

### **Close-Out**

Tammy, Olivia and Dee will meet to establish Closeout Guidelines; items to be discussed include: end of grant paperwork, staffing requirements, etc. We plan this information will be ready for an in-person session during the months of December and January.
