CBO Contact Updates

Please review the CBO Contacts List to ensure the information for you and/or your staff is up-to-date so we can reach out to you and/or your staff. You can find this on the Restricted Resources page under the DHS Resources column. It is important for everyone to have the correct contact person.

TABE/Other Assessments

You should have received an email with the request to schedule a data review and update TABE scores for your customers. If you have already entered all TABE/Assessment scores in the assessment section, you do not have to do anything else. If you have not entered these scores, please update them before our scheduled data review visit. There is a YouTube video, in the Partner Resources, demonstrating how to complete the process.
