**New Cohort Eligibility Verification**

- The request for eligibility review needs to be accepted within 2 days. The eligibility needs to be verified within 11 days. Forms may be completed over the phone.

## Rescheduling New Cohort Customers

- If you exceed the days allowed for eligibility verification, you can reschedule the customer appointment in the invitation. If a customer needs to be rescheduled after the appointment has been made, go to the customer Progress Page > Initial Appointment Section > Schedule Appointment. All appointments need to be scheduled in the EPIC system so that the agency is aware that a customer is scheduled to attend an intake orientation.

## Control Group Updates

- The system is now live and customer information can be entered.
