

## **DHS Weekly Webinar 8/12/2016**

### **EPIC Engagement Pie Chart**

A breakdown of current career pathways that our EPIC participants are engaged in.

### **EPIC Overview PowerPoint**

#### **Intro to EPIC**

Illinois was one of ten states selected to participate in the EPIC program.

Illinois was awarded 21.9 Million dollars for the purpose of EPIC.

CBOs will be awarded a total of up to 19.5 Million on a competitive basis to serve 2,500 SNAP recipients in seven targeted regions in Illinois.

Illinois workNet's role is EPIC is outreach, training, dashboard upkeep, Integration with IES, ongoing data collection, customer and outcome reporting options, and more.

#### **Training Tools**

We provide a partner page where you can access resources, training material, update information, FAQ's, archived EPIC webinars and more.

#### **Recruiting**

Fall out will happen, we have predicted that we will need to reach out to over 60,000 customers to reach our 5,000 customer goal.

#### **Eligibility Review Tools**

Programs are recommended for customers based on their application, after they complete their application you will go through the eligibility review process. The training programs they are eligible for, based on their application, will display and you will select the training programs the customer is interested in.

If the customer is interested in participating in EPIC they will have a **50/50** chance of being selected to participate.

#### **Group Assignment**

If the customer gets assigned to EPIC they will leave that day with an appointment to meet with the CBO.

Customers who cannot pass a background check may still be able to get into some of the training program.

### **Next Steps**

If you will be working with EPIC you will need to have an Illinois workNet account

Then send an email to [epic@illinoisworknet.com](mailto:epic@illinoisworknet.com) letting them know you created an account and need EPIC access.

Illinois workNet staff will let you know once you have received EPIC access.
