# Online Dislocated Worker Survey

- ▶ This survey replaces the current survey being used.
- ▶ No longer enter survey responses into DETS.
- ▶ Encourage laid off workers to complete online.
- ▶ Batch Entry option available:
  - Print survey from here so you can translate to multiple languages as needed.
  - Enter results for each survey that you collect at workshops.

# Partner Dashboard

- ▶ Add up to three (3) customized questions to your online dislocated worker survey.
- ▶ Add local flyers / brochures / materials for each company layoff.
- ▶ Manage company pages:
  - Activate
  - Expire
  - Re-Activate
- ▶ Survey batch entry.

# Reporting Dashboard

- ▶ View Survey Results by LWIA or Layoff:
  - Graph/Chart View (download each graph/chart or print)
  - Detail View (export to Excel)
- ▶ Get contact information for laid off workers that identified they would like follow-up.
