WIOA Desk Reference

Credential Attainment Decision Path

^{*} Note that we start with the denominator because the numerator places a further restriction to participants counted in the denominator, which is represented by the blue arrow on the left crossing from the yellow bubble into the green bubble.

after the Exit quarter?

The Workforce Innovation and Opportunity Act

WIOA Desk Reference

Is the participant included in the DENOMINATOR of the Credential Attainment indicator? * PIRL element numbers version NO Does PIRL901 have a date that falls within the timeframe being reported AND is PIRL923 coded 00?
