Expectations & Accountability

- Programs should ensure staff learn the rules that pertain to enrolling WIOA Youth.
- Apply Youth enrollment requirements by reporting all activities in MIS during customer engagement.
- Facilitate familiarity with the Services Matrix, 14 Youth program elements, rules, and definitions.
- Ability to track Youth for compliance for enrollment, participation, and exit.

Pre-Enrollment Activities – Application

What Does this Mean for WIOA Staff?

Expectations & Accountability

- Managing Existing Youth Registrants in MIS
 - Current Youth registrants who have an Individual Service Strategy and/or Career Planning activity and at least one Youth enrolling service must have the three pre-enrollment activities added prior to being able to record additional enrolling Youth services.
 - If Certification date is prior to 7/1/2022, the three pre-enrollment activities must be recorded using a start date on or after 7/1/2022.
 - If Certification date is on or after 7/1/2022, the three pre-enrollment activities must be recorded using a start date that is the exact date of certification.
 - If no youth element was provided within 45 days of the certification date, they must be exited.

PLEASE
NOTE

Note:

Youth who have received their last planned service can be exited without adding the activities.

Pre-Enrollment Activities – New Activities

What Does this Mean for WIOA Staff?

Expectations & Accountability

- Enrolling/Registering New Youth On or After 3/10/2023 (Deployment) in MIS
 - Certification Date - Youth becomes a WIOA “Applicant”
 - 45-day clock begins until the application is “locked” for registration
 - Once all three Youth pre-enrollment activities AND at least one Youth enrolling service (besides a Supportive Service) are provided and documented within 45 days of **certification, Youth goes from “Applicant” to “Registrant”**

PLEASE
NOTE

Note:

Registration Date equals date of first Youth Program Element, NOT first pre-enrollment activity.

Pre-Enrollment Activities – New Activities

What Does this Mean for WIOA Staff?

Expectations & Accountability

- Enrolling/Registering New Youth On or After 3/10/2023 (Deployment) in MIS
 - When the required three Youth pre-enrollment activities AND at least one Youth Program Element (besides a Supportive Service) are NOT provided and recorded within 45-days of certification:
 - Youth application is locked in the MIS; and
 - MIS will not allow Youth Program Element to be added for registration.
 - If deemed appropriate to register Youth after the application has been locked, system admin must remove the certification in the MIS:
 - Youth becomes “Inquirant”;
 - Youth must be re-certified; and
 - 45-day clock is reset for required registration activities.
