CBO Contacts Updates: Please review the CBO contacts list to ensure we have the correct information to reach you and/or your staff. It can be found on the Restricted Resources page.

Add Short-Term Training: As agency’s program offerings come to an end, the agency will no longer appear in the selection list for DHS to assign customers. We are encouraging all agencies to ensure they have a short-term training option available if possible. We reviewed options during the webinar. Please review the list, found on the Restricted Resources page:

Once a customer has been enrolled and a 2151A is uploaded, the customer can no longer be unenrolled by anyone except Olivia or Dee.
