epic

**employment opportunities • personalized services
individualized training • career planning**

EPIC Orientation Check-List

Learn about the program and apply.

☐ **Step 1** - Watch a video presentation about the EPIC program.

☐ **Step 2** - Complete a short Career Interest Survey. This will take between 5 – 25 minutes. Click "Save" when finished. List your top four areas here:

   1. _____
   2. _____
   3. _____
   4. _____

☐ **Step 3** - Review training opportunities in your area. Compare the list to your interest areas. Write down your top three Career Pathway choices and notes about any training programs here:

   1. _____
   2. _____
   3. _____

☐ **Step 4** - Complete online application to collect information about:
- The type of training you want
- Your current skill level, work history, & education
- Any barriers to employment

☐ **Step 5** – Meet with your Case Worker
   ☐ Review information on the study and agree to participate.
   ☐ Complete online registration.
   ☐ Learn which group of services you have been assigned to receive.
   ☐ If selected for EPIC, schedule an appointment with your new training provider.
