Supportive Services Report – If you have not completed this report, it is due to Tammy by Friday 3-22-19. If you have completed it or made corrections in the customer profile, please send Tammy an email to confirm and copy Dee.

Performance and Benchmark Attainment – Dee will be running a final benchmark spreadsheet only for those agencies who request it. These will be sent to you by March 26th so that you can make any final corrections for performance. Performance will count through May 24.

Staffing Report Survey – please complete the Staffing Report Survey by Friday 3-22-19. This is feedback that DHS wanted.

Grant Program Ended – all customers need to have a completion status and final 2151a marked as Complete / Complete:

- Customer gets a job before March 31, then mark them as Completed and the appropriate hours.
- Customer is moving on to WIOA or other grant sources for Education. They will be marked as Continuing Higher Education. Appropriate documentation will be required.

- Marked as Did Not Complete / Grant Program Ended, if they are not doing either of the above items.
- If a customer gets a job that you marked as Did Not Complete, you can change the status and it should update on the benchmark reporting.
- Customers who meet retention by May 24, may have the Job Retention step updated to Successful Completion to update benchmark reporting for retention.

All EPIC Funding ends March 31, 2019 – You may continue to track customers progress for performance, but you cannot bill anything to the grant after the 31st. Cost reporting will be due 4/30/19 for the first quarter. You can mark that as a final report if it is your final report. The final report is due 5/30/19.
